-
1. Teacher did a great job in discussions and engaging the class.
 2. N/A
-
1. The instructor's knowledge on the course and her easy accessibility for questions or help.
 2. There weren't really any weaknesses for this course

1. Doctor Standlee has a seemingly infinite reserve of knowledge dealing with this field.
2. The online resources (not necessarily Doctor Standlee's fault) were limited and unavailable often enough for it to be frustrating.

1. This course was very interesting and made me look deeper into psychology and sociology.
2. I don't feel the course had any serious weaknesses.

1. She really cares about her students
2. The powerpoint project, I hated it. It would have been better to do a paper.

1. material was very interesting and instructed well.
2. -----

1. Very knowledgeable..... I loved the movies
2. Some slides you spend a lot of time on" some slides you go to fast on slides

1. Standlee is a wonderful instructor, Great course for a freshman
2. N/A

1. discussing hard subjects
2. class involvement

1. Very interesting subject – teacher good at keeping students involved

1. **Please indicate what you feel were the primary strengths of this course, instructor, etc.**
2. **Please indicate what you feel were the primary weaknesses of this course, instructor, etc.**

1. Great teacher 10/10
2. I see no big weakness

1. Clear Instruction, Great teacher!
2. More graded assignments, (2-3 more)

1. I have really enjoyed this course with Dr. Standlee! She has made it enjoyable yet very educational! She knows the subject very well and never strayed from the topic at hand.
 2. There are no weaknesses in my opinion!
1. Positive giving students info in positive way.
 2. N/A
1. Dr. Standlee was kind and relatable to me. Her work regarding the demographics she didn't belong to was impartial and concise.
 2. I feel way too much emphasis was placed on sex and gender roles.
1. Best teacher on the Athens Campus by far, very fluent speaker, super intelligent, and if she was 10 years younger I'd have a hard time keeping my paws off her.
 2. Use less powerpoint, and just use your good speaking skills to deliver your ideas. Less movies that are frequently used such as Mardi Gras, and are movies that strike critical thinking such as a documentary, college kids love documentaries & learn from them effectively.
1. Very easy to work with and communicate with.
 2. It can inherently be controversial, so people may need to wear their big people pants.
1. She did a great job working with me throughout medical issues but also did a great job relaying the material. When I struggled understanding a concept, I could just wait until the powerpoint discussin and it would be explained.
 2. N/A
1. The instructor is really good and I've enjoyed the class. I have also learned many things.
 2. Solid class, we didn't use one book too much plus you could find the readings online.
1. N/A
 2. Spent too much time focusing on science, and social theories. She didn't let students share their personal opinions without asking them to support them with facts.
1. She knows the material
 2. The class is not challenging at all, the material is dumbed down & there is little opportunity for learning more about one specific topic of interest
1. I found her attitude and overall teaching style was pleasant
 2. I can see no real weakness from her, altho I would say that I would find more movies of subjects students find interesting would be beneficial.
1. Well put together lectures on controversial modern issues.
 2. Sometimes there isn't any passion into topics
1. She is very concise and explains complex concepts very well with no bias.
 2. She was very well rounded, I did not notice any weaknesses.
1. You're a gift to humanity. I hope your day is lovely!
 2. Thank you for existing, you have no weaknesses and can overcome all things
1. N/A
 2. Her "review sessions" are not helpful at all.

1. She is an awesome professor, she grades fairly and has a positive attitude towards the student
 2. N/A
1. Great Class
 2. N/A
1. This was by far my favorite course this semester.
 2. Loved it all.....
1. One of the best professors I've ever had. She knows material so well, and provides us great material to study!
 2. None
1. Professor Standlee did an excellent job covering the material. She is my favorite professor.
 2. N/A
1. In-class discussions on Friday readings
 2. N/A
1. Very knowledgeable, great attitude. Never an issue to ask questions and interact with. Does a great job!
 2. None
1. Knows what she's talking about, passionate, not biased, entertaining
 2. -----
1. voice, advisory of trigger warning
 2. Lots of work.....
1. the primary strengths were her ability to lecture, and I liked her powerpoints
