STANDLEE, ALECEA

SOC 101-04, People and Their Social Environment

S: Explains material in an understanding way.

W: Tends to talk in circles.

S: Makes material very clear to understand.

W: Class sometimes feels monotonous in structure.

S: She presents controversial topics effectively. Loved this course and always notified students of campus programs or students services.

W: Didn't use the books.

S: The instructor is great. I've learned a lot in this class.

W: There are no weaknesses for this instructor or course.

S: The instructor obviously knows what she is talking about and makes the class interesting. Dr. Standlee is an excellent professor.

W: A weakness was how there didn't seem to be enough time to get everything in.

S: She knows her subject well and she encourages us to strive our opinions and ideas with her.

W: I hate taking notes but I loved the class so I do it without complaint.

S: The professor has a great knowledge of the subject.

W: The course isn't as exciting as I thought it would be.

S: Dr. Standlee knows her subject and is enthusiastic.

W: The class doesn't seem very interested, and it's easy to lose focus.

S: This semester was particularly hard for me, and Dr. Standlee was exceptionally understanding and willing to work with me. The class is thorough and interesting and is very supportive of hands on learning.

W: NC

S: She knew what she was talking about. I liked the class. I think if you wanted to do a different class concerning other pop culture trends that would be great.

W: I did not like that most of the assignments were just writing papers.

S: Love the ability to discuss openly.

W: NC

S: Dr. Standlee's a sweetheart. She's a good person and professor.

W: I wish her classes were more tough.

S: Interesting, taught well, kept students engaged.

W: NC

S: Stayed on track with syllabus. Most teachers can't do that. Made class interesting. Shed light on interesting topics. Just a great personality in general.

W: Maybe more direction with essays.

S: I actually enjoyed the class discussions. They were all interesting. I do not know for sure if you should stray from a strict social media/video game point of view because it may accidentally turn into a social problems or deviant class.

W: NC

S: Mrs. Standlee was very understanding about turning in work if any difficulty arose. Learned a lot about digital footprint and being online.

W: NC

S: I like this course because it gave me a break from having test and it was a fun class.

W: I thought the class was very good.

S: Very student involved and helpful; always in her office.

W: NC

S: Friendly excitable.

W: Sometimes off topic or too much time on one topic.

S: Active with students, approachable, and great assignments.

W: NADA.

S: Big project creates lots of thought.

W: Interviews could have started a little earlier for the project.

S: Very helpful.

W: NC
