

**Dr. Alecea Standlee**  
**101 People & Their Soc Environment**

**Section: 01**

**Spring 2015 CLASS: SOC**  
**CRN: 20503**

- 1. Please indicate what you feel were the primary strengths of this course, instructor, etc.**
- 2. Please indicate what you feel were the primary weaknesses of this course, instructor, etc.**

1. Was easy to get ahold of, almost always e-mailed me back immediately, flexible to meeting outside of office hours, sticks to syllabus, gives back graded assignments in a timely manner.

2. None

1. The materials we covered will remain with me for a lifetime. Dr. Standlee is a phenomenal professor who effectively teaches a great sociology class. She picks the most interesting articles and conversations which makes the learning process easier. Her excitement in the subject is my favorite thing. Overall, a wonderful professor. CU's best!

2. None!

1. Dr. Standlee explained the lessons very clearly and the power points were well organized.

2. N/A

1. She was informative & knowledgeable. She was very nice

2. None

1. She clearly & easily explains material.

2. N/A

1. She knew her material, explained everything excellently and really had good organization of material.

2. None

1. Very well understanding of course

2. harder assignments

1. Very interactive

2. N/A

1. her knowledge of the subject

2. wasn't the most interesting

1. very knowledgeable of subject, good assignments

2. making it interesting

1. very helpful inside & outside of class, easy-to-follow course, interesting subject matter. I like both required texts for this course, instructor was great

2. N/A

1. She done a very good job teaching the material so we understood it

2. N/A

1. The instructor is knowledgeable about the topics she discusses and makes them relateable with examples and evidence.

2. N/A

1. 8/8 m8
2. 7/8 m8

1. Powerpoints
2. The Readings

1. She knows the subject, conveys ideas fluidly is nice & easy to talk to, very easy 101 class
2. Allows students too much freedom in taking over her while she lectures

1. she was well organized I like the way she did the notes for this course the reading for Fridays were all mostly interesting and enjoyable
2. None

1. Very good at explaining material and was good at making class interesting
2. None

1. easy to understand, not too much work
2. N/A

1. N/A
2. Keeping class completely into the lecture

1. Three grades is too few. Very hard class if you are not a good test taker. But good material that will prepare me for the future.
2. N/A

1. Very interesting lectures
2. None

**Dr. Alecea Standlee**  
**101 People & Their Social Environment**

**Spring 2015 CLASS: SOC**  
**Section: 02 CRN: 20504**

- 1. Please indicate what you feel were the primary strengths of this course, instructor, etc.**
- 2. Please indicate what you feel were the primary weaknesses of this course, instructor, etc.**

1. I get the best and required knowledge of sociology you are the best teacher ever.
2. Not found any weaknesses.

1. The instructor knows her subject well. I enjoyed how she always involved the class in discussion.
2. One weakness is that sometime the instructor is late for class

1. She instructs in a clear way and it is very easy to learn
2. The assignments were sometimes hard to understand

1. Made the class fun and interesting. Always willing to help students when needed.
2. None

1. I personally enjoyed the content.
2. N/A

1. Standlee really teaches her class well! I love how she communicates with everyone and is very understanding!

2. None

1. I'm done with this class

2. N/A

1. I thoroughly enjoyed your class Dr. Standlee. You made me think about things I wouldn't normally consider, which is good when questioning society

2. N/A

1. She was very accommodating to students that were in difficult positions. Very understanding & helpful. Class was fun & interesting.

2. N/A

1. That the material she was teaching made sense

2. I did not think there were any weaknesses She's a very good teacher and presented the material to the students well

1. Good Teaching, material well taught and listed. Easy to communicate. Assignments given with plenty of time.

2. None

1. She's cool

2. None

1. Very kind, caring, knowledgable

2. N/A

1. No final!

2. None

1. I loved the class, I learned a lot

2. N/A

1. Enjoyed the class a lot

2. Midterm was confusing

1. Dr. Standlee was a great overall instructor and she did a tremendous job at making this course interesting.

2. The readings were extremely long

1. :)

2. There weren't a lot of grades in this class but its okay because I was good at it. B)

1. Helping you understand Soc 101. The instructor is very caring and willing to work with you

2. Nothing

1. Instructor was very positive and helped us best she could

2. None

1. I like the way the class was set up
2. N/A

1. Dr. Standlee was a pleasure to have. Very knowledgeable of sociology. She's also very nice & respectful to students
2. N/A

1. She was nice, and very knowledgeable
2. It got rather boring a times, a little diversity would have been nice.

1. Really good teacher. Knows the material well and gives students every opportunity to succeed .
2. N/A

1. Very comfortable class
2. N/A

1. Loved the class – one of my favorites
2. None

**Dr. Alecea Standlee**  
**398 Qualitative Mthds Soc Research**

**Spring 2015 CLASS: SOC**  
**Section: 01 CRN: 20617**

- 1. Please indicate what you feel were the primary strengths of this course, instructor, etc.**
- 2. Please indicate what you feel were the primary weaknesses of this course, instructor, etc.**

1. A research class where we pick our own research topic is awesome and fun.
2. Assignments were not clear sometimes and it was hard to keep up with what we done sometimes

1. Good class no changes
2. Don't need the book at all

1. Knowledge of subject, engaging to class
2. None within control of professor (ie, weather).

1. Strong teacher, willingness to assist students
2. DO NOT TAKE Qualitative, Siminers, AND Theory together!

1. N/A
2. The book is not needed because of power points

1. Dr. Standlee is an excellent professor! She is an asset to Concord!
2. N/A

1. I really enjoyed this course. I feel like the only issue was with all the snow we were just rushed
2. N/A

1. All assignments are clear and she gives concise instructions.
2. My only concern is that the time missed due to snow days caused a major time crunch.

1. Knowledgeable, and always willing to help. Genuinely wants students to be successful
2. Didn't need to buy the book

- 1. Please indicate what you feel were the primary strengths of this course, instructor, etc.**
- 2. Please indicate what you feel were the primary weaknesses of this course, instructor, etc.**

1. In-depth analysis of material Historical context of theories discussed Class involvement is fantastic
2. More in depth discussion of historical contexts would be ideal.

1. Sociological theorists were on interesting topics
2. Do a little more to try and get the material to be less boring. Interesting topics but get a little boring after a while. Try to do more to engage the material across to students.

1. teaches material well
2. more student involvement, to much just reading to the students

1. Class was great but more discussion classes.
2. Don't really need the book for this class.

1. Her power points are really great.
2. N/A

1. I loved it. The readings were very thought producing.
2. N/A
