7) What is the most important thing you learned?

It opened my eyes to numerous ideas in society; I view things in life differently now (especially body image, low wage, and violence).

8) What did you like best and/or least about the course?

I understand that flexibility in a teacher is nice but I believe this class was too relaxed. I felt like no one else was reading the assignments because they weren't required. I found myself lacking as well because I had no desire to do it if no one else did.

9) If a Teaching Assistant was one of your instructors, please comment on her/his availability, helpfulness, and openness:
