Last Thoughts:

What were you not asked above that you would like to say about this class?

No.	
1	The subjects we discussed were the kind of issues that everyone should take a class on at some point in their college career.
2	Graded difficulty for intro course. Gave same critique. Hard to improve.
3	Professor was always available when help was needed and made changes within course in order to suffice students needs :)
4	
5	
6	
7	Very involved in current issues
8	Less lectures
9	
10	Do more activities either in class or for homework. Really liked the class. Thought the topics were all very interesting and were presented well. Thank you!!

12	
13	
14	I think there was a huge divide between the chapter textbook and the PowerPoint from class. I feel like there should have been more similarities since it lead to a lot of confusion about what to study for a 100 level class.
