11					1	Really great instructor. The material is very interesting.
12				1		I consider myself pretty informed and aware of social justice issues but I learned a lot about poverty and racism that I did not know.

No.	Poor	Fair	Good	Very Good	Excellent	Comments
1			1			Sometimes the materials in exam do not match with the class
2				1		Syllabus always accurate, books were on topic/relevant as well as interesting. Not as much a fan of the textbook.

3. How effective was the instructor in conducting the class sessions? (Consider, for example, the efficient use of class time to promote learning, the clarity and quality of instructor presentations, opportunities for active student involvement, etc.)

No.	Poor	Fair	Good	Very Good	Excellent	Comments

10				1		
11			1			
12			1			PowerPoints were sometimes difficult to follow because we would spend a longtime on one slide but we would talk about information of the next slide then just skip over it which makes it hard to write notes. Student discussion leaders were always engaging.

No.	Poor	Fair	Good	Very Good	Excellent	Comments
1			1			Test is sometimes different from class material
2				1		Assignments always related to materials and tied together well. Midterm aside, we were not asked too much or little of.
3			1			The exams were way too long to be completed at one time
4				1		
5		1				
6					1	
7				1		
8				1		Overall, they were a good measure, but the midterm either needs to be made shorter or made a take-home.
9					1	
10				1		
11				1		The essays prompt us to read the books we otherwise wouldn't have read.
12		1				Midterm exam asked in depth questions when we were told to know broad information. Each question had ~5 subquestions and it was way too long.
