## **Response by Question Report**

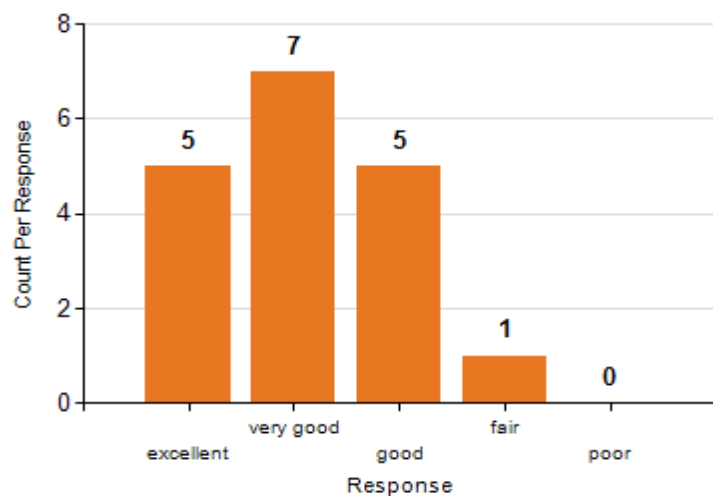

**Q1 - Why did you take this course? (Student can select up to 3 responses)**

**Q2 - About how many hours a week (not counting class periods) did you devote to this course?**

**Q3 - How would you evaluate your own commitment to and engagement with this course?**

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	3.89

**Comments**

I spent a good amount of time on This class outside of class just on the reading alone and then reading notes

I could've worked much harder.

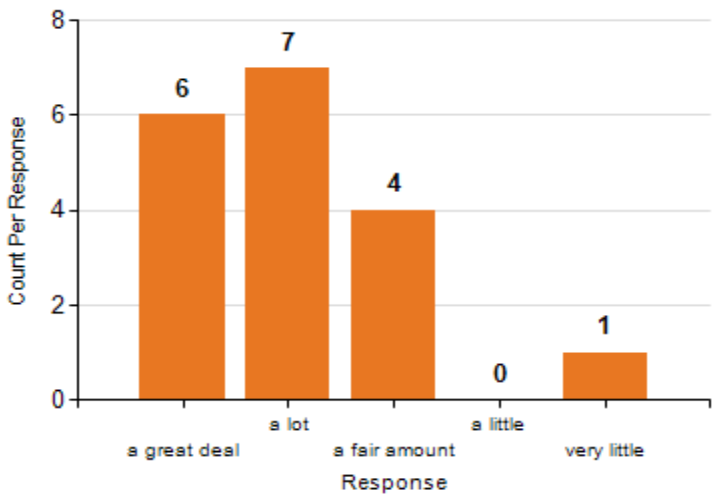

Attended my classes and did all if my assignments.

Reading notes kept you on task

I really loved this course, and felt really involved with the curriculum

I didn't miss any classes or reading notes

Q4 - How much do you think you've learned from this course?

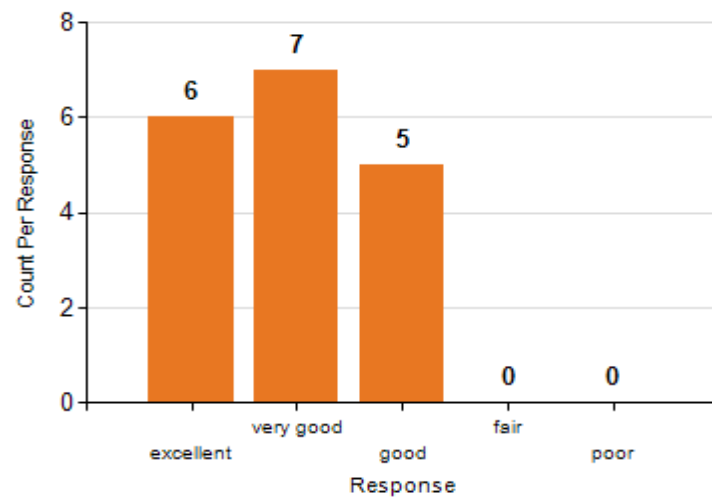

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	3.94

Comments

Wish we could've gone into more detail at times

I learned alot about different theories and the historical context of them.

Q5 - How helpful were the course materials used by the instructor?

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	4.06

#### Comments

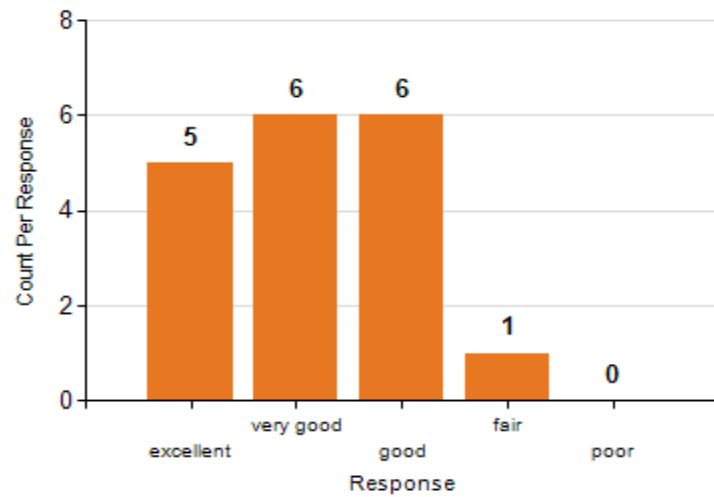

Readings were sometimes long and repetitive everything else was helpful

The cons tested knowledge book really helped to understand the longer texts we read

They were good for what we were learning but they were boring (but that's not Standlee's fault)

**Q6 - How effective was the instructor in conducting class sessions?**

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	3.83

**Comments**

Maybe less time on small group discussion. People do not really discuss sometimes.

I like how we did a little bit of lecture and then discussion

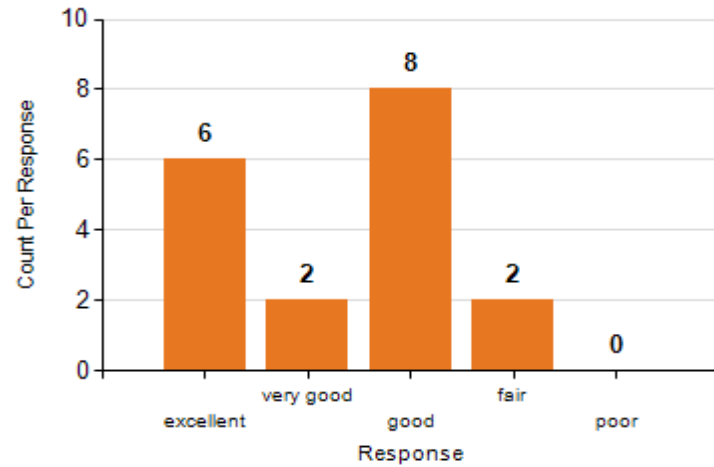

Good lectures

The lectures and discussions helped me to better understand the theory.

There was a lot of student engagement in class.

I personally feel like I didn't learn a lot from the discussion questions/groupwork portion

Q7 - How would you rate the assignments and tests the instructor required as measures of learning in this course?

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	3.67

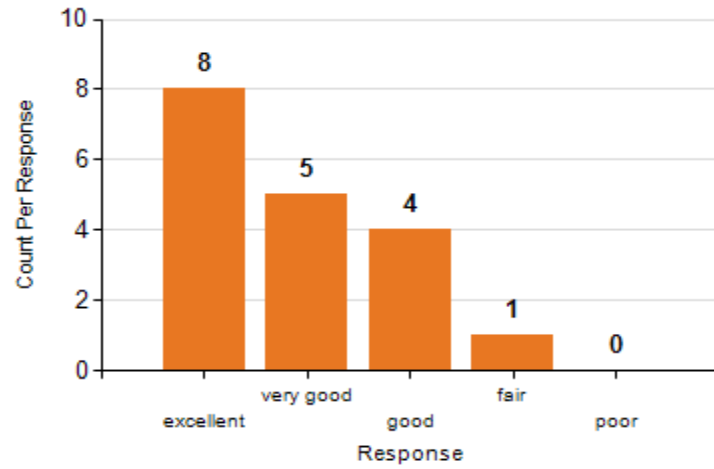

#### Comments

The assignments that we were given were always very long.

All of her assignments were easy to understand and I didn't have a problem doing them.

Too many exam questions

Q8 - How would you rate the instructor's performance in providing fair, prompt, and helpful comments and grades on your work?

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	4.11

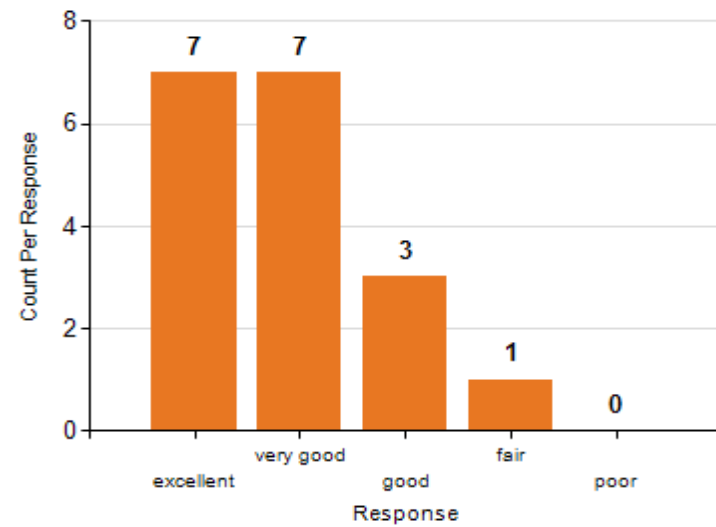

#### Comments

friendly, patient and respectful

Always provided detailed comments on our tests.

Extremely helpful

Q9 - What is your overall rating of this instructor?

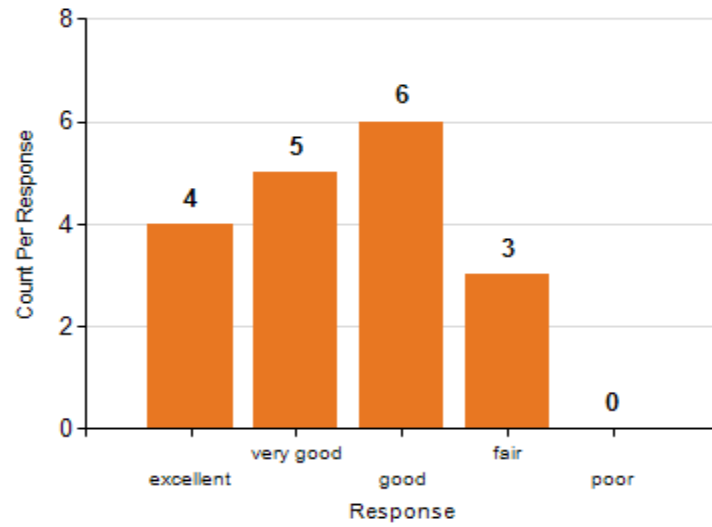

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	4.11

Comments

Very helpful and insightful!

Standlee is a really good teacher & she's very understanding in terms of extensions and deadlines.

**Q10 - What is your overall rating of this course?**

Number of Responses	% of Enrolled Students who Responded	Number of Enrolled Students	Average
18	85.7%	21	3.56

**Comments**

**Q11 - What were you not asked above that you would like to say about this class?**

Very nice and understanding teacher. Material was definitely rough but she did a good job at relating it to things we know

Great professor

really down to earth and one of the only teachers that I've actually learned from.

none

This class was constructed very well and was one of my favorite courses i have taken here. The topics have helped me a lot within my other courses.

I think the gender and critical race theory section of the class should get more time

larger theories being broken down into smaller theories and individuals but forced to share the same week/time of the student makes it hard to differentiate and retain the nuances between the invidious theories on race and gender

The class discussions were boring at times.
