

Final Paper Sociology of Families

Based on one of the social policy debates presented in chapter 13 of your textbook write a thoughtful analysis of at least one of the issues presented.

- Select a policy issue:
 - Defining Marriage
 - Controlling sexuality and reproduction
 - Dealing with welfare and poverty
 - Working Families and Childcare
 - Dealing with Vulnerable Populations: Policies on poor children
- Outline the set of policies surrounding your issues as they currently stand and provide unbiased scientific data regarding the outcomes and effectiveness of these policies.
- Provide a comprehensive analysis of the strengths and weaknesses of the current policies.
- Make a reasoned suggestion regarding the future development, implementation or transformation of the policies.
